(date)

By signing, I agree to adhere to the following terms & conditions:

Distribution shall be made only to pedestrian traffic, and distribution to vehicular traffic is prohibited.

Distribution shall be confined to those areas described below, with the University reserving the right to change the location of distribution if distribution unreasonably impedes or interferes with the normal flow of vehicular traffic and pedestrian traffic to and from athletic events.

Approval is granted for distribution only and not for the sales or solicitation of anything as per Business Policy and Procedure section 6:054

A non-University publication is any written or digitally produced material that is not officially published by the University or by a University-recognized student organization. This includes leaflets, handbills, and other types of written or digitally produced materials.

Distribution of non-University publications is permissible outside and inside buildings if the following criteria are met:

1) The material does not state or imply that it is connected with the University of Missouri.

2) Distribution of materials does not constitute a violation of applicable state or federal laws.

3) Outside: Materials are not distributed from unmanned receptacles or left in unmanned piles (e.g., leaflets left on vehicles are prohibited).

Permittee will assist the University in controlling any litter.
